## SOMERSET

Somerset offers an array of family friendly recreational and leisure activities, and the quaint Village caters for all your shopping needs with several specialty stores and supermarkets.

Walking tracks along the beach and river are dotted with exercise equipment, and there is a selection of picnic spots, playgrounds and free BBQ facilities making it the perfect spot to relax and take in the river and ocean views.

# BOAT HARBOUR BEACH

Winding your way down the hillside into Boat Harbour Beach is like unwrapping a Christmas present. Excitement builds as each turn reveals a little more of the secret surprise that awaits. Passing colourful mosaic statues and arches, you are given a hint that something special is coming – something that deserves to be heralded with artistic tributes.

You can easily spend a lazy day on this beach – grab a coffee or lunch featuring fresh local produce at the restaurant just a few steps from the sand. And if you just can't tear yourself away, why not stay a night in one of the many beachside holiday houses known as 'shacks' by the locals. You won't feel guilty about relaxing and indulging yourself here – because that's all there is to do.

DID YOU KNOW ?

Boat Harbour Beach was voted one of the Top 10 beaches in Australia.

# SISTERS BEACH

With over three kilometers of a pristine white sand beach, this peaceful, unspoiled retreat is also home to an abundance of native bird and wildlife. The easy water access from the main car park and the boat ramp makes boating, fishing, swimming and diving popular pastimes with the locals. Sisters Beach is also home to plenty of marine life, with rockpools filled with colourful starfish and sightings of dolphins, whales and seals particularly as the waters begin to warm at the end of Spring. What better way to unwind than to pack a picnic full of gourmet Tasmanian food and wine and take a stroll along this pristine stretch of coastal paradise - or for the slightly more adventurous walk to Anniversary Bay in Rocky Cape National Park for the perfect secluded romantic getaway?

DID YOU KNOW ?

You can walk between Boat Harbour Beach and Sisters Beach. It's a beautiful 2 hour coastal walk (one way).
